Chairman's message

Cannot believe that October is here. Before we know it, it is Christmas again.

Guess it is time to get back to our usual routine. For the young people who are going to college, hopefully you remembered to get your applications to Hubert by October 1st for the lodge's scholarship. The District one is due by December 30th.

Our Lucia will be on December 15th. Please see if you can find things to use for the raffle. It will be much

appreciated. Also, if the youngsters sing, please join in the Lucia festivities.

Wishing everyone going to Zion a pleasant and enjoyable trip. It should be fun for all. For the ones going to the soccer game, enjoy that as well.

Hope to see more of you at the next meeting. Wishing all of you a wonderful Halloween.

In Truth and Unity,
Inga Francis

Next meeting: Thursday, October 11, 2018

Culture Corner All Saints' Day

Cecilia Larsson Lantz imagebank.sweden.se

In Sweden All Saints' Day falls every year on a Saturday between October 31 and November 6. On this day, candles are lit in cemeteries around the country in memory of loved ones and relatives who have passed away.

Skogskyrkogården is considered one of the most important creations of modern architecture, and is even included on UNESCO's World Heritage List. Skogskyrkogården is an example of a "designed experience", with the design created around the visitor's experience of the site.
